Yes! Potter is on the list to include in Round 4. It will be included in the OAR and AO briefing, if not before.

Thanks.

And don't forget about Potter County. That will likely need to be briefed up again. We have not heard any new information from TCEQ about that area/source.

Hi Michael-

Guv emailed Scott and Vera about Milam County yesterday. I provided Vera with feedback to share with him. Essentially,

## Ex. 5 Deliberative Process (DP)

email from Vera soon, and I can provide the additional details. Ashley Keas is leading the revisit action.

Corey - I wanted to follow up with you on Milam County (TX) and Calcasieu Parish (LA).

- 1) Do we need a letter from Texas in order to move forward on the redesignation? TCEQ hasn't decided if they are going to give us one yet.
- 2) For Calcasieu, we have modeling for part of the parish and monitoring for part. LDEQ included Calcasieu in their updated recommendation to be designated attainment. Any thoughts on how or if to proceed with redesignation?

Thanks.
